Who is Your policy Underwritten by?

This policy is a contract between you and the Insurer, Acasta European Insurance Company Limited, 5/5 Crutchett's Ramp, Gibraltar, GX11 1AA (registered no. 96218), which is authorised and regulated by the Gibraltar Financial Services Commission and subject to limited regulation by the Financial Conduct Authority and Prudential Regulation Authority for the conduct of UK business. Details about the extent of our regulation by the Financial Conduct Authority and Prudential Regulation Authority are available from Acasta European Insurance Company Limited on request.

Who administers Your claim?

This insurance is administered and claims are handled by Spectrum Insurance Services Limited.

Eligibility

You are eligible for cover under this policy provided:

1. You purchase this policy within 180 days of taking ownership of the Insured Vehicle or 365 days if your car is new and you can confirm you have new for old replacement cover with your motor insurer in the first year;
2. The Net Invoice Selling Price does not exceed £75,000 (Seventy Five Thousand Pounds).
3. Your Insured Vehicle is listed in Glass's Guide and is less than 8 years old, and has less than 80,000 miles on the clock on the day You purchase this policy.

What does Your Total Loss Gap Insurance cover?

In the event of the Insured Vehicle being declared a Total Loss, providing Your own Motor Insurer has agreed to give full indemnity for Your claim, Your policy will pay the difference between the Motor Insurers Settlement at the point of Total Loss and the higher of:

1. The amount outstanding on finance; or
2. The original Net Invoice Selling Price you paid; or
3. The cost of a Replacement Vehicle, matching the original Vehicle specification or an equivalent superseding model in the event this is no longer available.

If You purchased the Insured Vehicle under a finance agreement and do not have the legal right to own the Insured Vehicle at the end of the agreement, any settlement would be based on the amount of outstanding finance at the point of Total Loss.

Your policy will pay up to £250 towards the cost of your Motor Insurance Excess.

Replacement vehicle price means;

(a) The cost, at the date of loss, of replacing the **insured vehicle** with another that is the same age, model, specification and mileage as at the date **you** purchased it.

For example, if **you** purchased a brand new vehicle (where you were the first registered keeper) and it was declared a **total loss** after 2 years then this insurance would pay the difference between the **motor insurance settlement** and the value of purchasing a brand new replacement vehicle of the same specification. If **you** purchased a 1 year

old vehicle with 10,000 miles on the odometer and this was declared a **total loss** after 2 years, this policy would pay the difference between the **motor insurance settlement** and the value of purchasing a replacement 1 year old vehicle of the same specification, with 10,000 miles on odometer at the time of **total loss**.

If the original model is no longer available;

(b) the cost of an equivalent superseding vehicle of the same age, specification and mileage as at the date **you** purchased the **insured vehicle**.

Where the original model or superseding model is no longer available

(c) the difference between the **motor insurance settlement** and the net invoice price of the insured vehicle plus an added 10% in value.

How we calculate the cost of a replacement vehicle;

(i) if the vehicle was brand new when **you** bought it, then we will source three price offers from the franchised dealer network which may include online quotations. We will use the average of these figures to determine the cost of the replacement vehicle

(ii) if the vehicle **you** purchased was used, we will use Glass's Guide retail transacted value, together with vehicles available within the UK retail network to determine the replacement cost of a vehicle of the same age, specification and mileage as **your** vehicle was at the time **you** purchased it (eg if the vehicle was 1 year old, with 10,000 on the odometer then another 1 year old, 10,000 mile example at the time you make a claim.

The determination of what is the equivalent or superseding model is decided by us. To enable us to do this we may reference information from vehicle manufacturers, trade publications and valuation services such as Glass's Guide or other online websites.

Policy Transfer

If You sell Your Vehicle, provided that no claim has been made under this insurance, You may transfer the remaining cover to the eligible replacement Vehicle, subject to Our agreement.

Where the purchase price of the Replacement Vehicle is greater than the original Vehicle purchase price, an additional premium may be required.

A new Policy Schedule will be issued by the Administrator confirming the Replacement Vehicle details. Cover will not include any refinancing. In the event of bereavement, the remaining benefits of this insurance may be transferred to the policyholder's spouse, partner or Next of Kin. If You would like to transfer the policy contact the Administrator on 0800 195 4926.

If You choose to have the Vehicle replaced on a "new for old basis" under the terms of Your Motor Insurance Policy following a Total Loss of the Vehicle, We will transfer the balance of this policy to the Replacement Vehicle, if You ask Us to do so.

Termination

The insurance provided hereunder will automatically terminate on the occurrence of one of the following:

- The natural expiry date of this policy;
- Payment of a claim under this policy;
- The date this policy is cancelled either by You or Us.

Cancellation

If You decide that for any reason, this Policy does not meet Your insurance needs then please return it to the Administrator within 30 days from the day of purchase or the day on which You receive Your policy documentation, whichever is the later. On the condition that no claims have been made or are pending, We will then refund Your premium in full.

Thereafter, You may cancel Your policy in writing at any time provided You have not made a claim and receive a pro rata refund of Your premium based on the number of whole months remaining subject to the deduction of a retention fee of £35. Requests for cancellation should be made in writing to the Administrator.
